--- EMAIL 2: Appraisal Deadline Reminder --- Send Date: 2026-05-26 Subject: Important Next Step: Appraisal Deadline Approaching Dear Domenick,

A quick but important reminder regarding the appraisal for 1052 Rivershore Avenue.

The deadline for the appraisal report is this Friday, May 27th. This date is critical as it determines the financial value of the property in the eyes of the lender.

If we are notified of any issues with the appraisal, please let me know immediately so we can formulate a plan of action, whether that involves lender communication or re-evaluation.

Everything is moving according to plan, and I'll keep you updated as soon as I hear anything.

Best regards,

--- EMAIL 3: Loan Commitment Check-in --- Send Date: 2026-05-29 Subject: Status Update: Loan Commitment Progress Dear Domenick,

As we continue to move toward closing, I wanted to give you a proactive update on the financing side.

Today marks the crucial point of the Loan Commitment deadline. This confirmation is one of the most anticipated steps, as it solidifies the buyer's ability to purchase the property.

I will be in close contact with the buyer's lender to ensure they are on track to provide this commitment by the deadline. I will update you immediately once I have confirmation.

We are doing a great job navigating these technical deadlines!

Best,

--- EMAIL 4: Final Walkthrough Prep --- Send Date: 2026-05-30 Subject: Preparing for the Final Walkthrough at 1052 Rivershore Ave Dear Domenick,

We are reaching a major milestone with the scheduled Final Walkthrough on May 31st!

This walk-through is an important final check for all parties to ensure that the property condition matches the contract terms and that all agreed-upon items (like repairs) have been addressed.

If there is anything needed for us to prepare the home for this final viewing—from staging adjustments to utility checks—please let me know. I want to ensure everything looks its absolute best for the buyers.

Looking forward to completing this exciting phase!

Warmly,
